Existing damage / observations

Existing damage: None recorded
Inspection notes: All equipment checked before handover.

4. STANDARD RENTAL TERMS

1. RENTAL PERIOD: The equipment must be returned by the agreed return date and time. Any extension requires prior approval from Southern Camera Rent.

2. EQUIPMENT CONDITION: The equipment and included accessories will be inspected and documented before handover. The customer acknowledges the recorded condition when signing the handover section.

3. CUSTOMER RESPONSIBILITY: The customer must handle, operate, and safeguard the equipment responsibly throughout the rental period.

4. DAMAGE OR LOSS: New damage, missing accessories, or equipment loss will be assessed using the handover record, return inspection, and available supporting evidence. Any charges are subject to review.

5. SECURITY DEPOSIT: The security deposit will be held and settled according to the applicable rental policy. Verified deductions may be applied, and any remaining refundable balance will be returned through the approved refund process.

6. LATE RETURN: Equipment returned after the agreed deadline may incur overdue penalties according to the rate and daily amount recorded in this agreement. Penalties are subject to the business's review process.

7. RETURN INSPECTION: Upon return, staff will inspect the equipment against its documented handover condition and record any new damage, missing accessories, or other relevant observations.

8. ACKNOWLEDGEMENT: Handover and return signatures acknowledge the information recorded at the respective stages. Signing the return section does not automatically mean that the customer accepts any disputed damage charges.

Special notes:

Return all accessories with the camera.
